

Short Biography

Dr Tengku Zetty Maztura Tengku Jamaluddin

MBCChB (Sheffield), PhD (Infection Control) (Juntendo)

She is a medical lecturer of medical microbiology and an Infection Control Doctor. She is Head of Infection Control Section, Department of Medical Microbiology, Hospital Pengajar UPM and member of the Antimicrobial Stewardship Committee, HPUPM. During the COVID19 pandemic, she is appointed as a member of the COVID-19 Advisory Committee, HPUPM.

Her research interests are infection prevention and control of infectious diseases both in the healthcare setting and the community. She is engaged in a variant of national projects funded by the Ministry of Higher Education, pharmaceutical companies and Ministry of Health. She is involved in coordinatorship of the undergraduate Medical Doctor Programme UPM, and examiner for the MPath (Medical Microbiology) specialist programme.
