

# POCT in Acute Setting

## *Seminar on D-Dimer, Troponin and BNP*

**20 September 2017**

Bilik Mesyuarat Utama,  
Level 4, Administration Block  
Faculty of Medicine & Health Sciences  
UPM

**Registration fee: RM 50**

(Registration deadline: 10/09/2017)  
Limited to 80 participants only

The term Point of Care Testing (POCT), is used to describe laboratory testing performed by medical and nursing staff outside the main laboratory

Seminar focus:

1. Overview on POCT clinical use in acute setting specifically for ACS, heart failure and thromboembolic events
2. Discuss concerns surrounding POCT and the importance of overcoming them
3. Strengthen professional partnership between pathologists and clinicians ensuring compliance, safety and quality standards of POCT

For further details, please contact:

Dr. Intan Nureslyna (0389472374 | 0123803476)

Dr. Subashini (0389472779 | 0123923709)

Dr. Siti Yazmin (012 298 8399)

For registration & payment, please contact:

Pn. Safarina (0389472495 | 0189674672)

or e-mail to [poctupm@gmail.com](mailto:poctupm@gmail.com)

- Payment payable to Bendahari UPM

(CIMB account: 1215 0005 0040 50)

# Programme

TIME	TOPIC	PRESENTERS
8.30 – 9.00	REGISTRATION	
9.00 – 9.40	POCT issues from a lab point of view	Dr. Siti Yazmin Zahari Sham (Chemical Pathologist, UPM)
9.40 – 10.20	POCT on PT/INR & D-Dimer	Prof. Dr. Wan Zaidah Abdullah (Head of Department of Haematology and Transfusion, USM)
10.20 –11.00	Local perspective on the use of cardiac biomarkers – troponin, BNP	AP Dr. Sazzli Kassim (Cardiologist, UiTM)
11.00 –11.15	TEA BREAK	
11.20 –12.00	POCT in Emergency Department	Dr. Ahmad Luqman Md Pauzi (Emergency Physician, UPM)
12.00 –13.00	High sensitive troponin I in emergency settings and ESC guidelines	Dr. Laurent Samson (Senior Global Commercial Marketing Manager, Siemens Healthineers, France)
13.00 –14.15	LUNCH	
14.20 –15.00	How POCUS change patients' management	Dr. Alzamani Mohammad Idrose (Emergency Physician, HKL)
15.00 –16.30	Case presentations	Dr. Foo Yoke Leong (Cardiologist, UPM)  Dr Intan Nureslyna Samsudin (Chemical Pathologist, UPM)  Dr. Cecilia Anthonysamy (Emergency Physician, Hosp Serdang)
16.30- 17.00	REFRESHMENTS END
