

Short Biography

Doctor Johan Aref Bin Jamaluddin
MBBS (UM), MMED Paeds (UKM)

Is a senior lecturer and paediatric cardiologist. First joined UPM in 2009 as a paediatrician and completed Paediatric Cardiology Fellowship Training with Institut Jantung Negara (IJN) and Birmingham Children's Hospital UK in 2017.

His main area of interest is in general paediatrics as well as paediatric cardiology. He is part of paediatric cardiology team in Hospital Serdang. He is also the coordinator for UPM Master of Medicine (Paediatrics) programme and a member of national Paediatric Conjoined Board. Beyond his academic and clinical duties, he is also a member of Malaysian Paediatric Association (MPA) and Malaysian Paediatric Cardiology Society (MPCS).
