

Short Biography

Doctor Mohd Azri Bin Zainal Abidin MBBS(Mal), DrPed (UKM)

Is earned his Bachelors of Medicine, Bachelors of Surgery – MBBS from Universiti of Malaya in 2004. After graduating, he went on to train and work for the Ministry of Health before joining the Department of Paediatrics, Faculty of Medicine and Health Sciences, UPM in 2008. Since then, Dr Azri has went on to complete his postgraduate training in Paediatrics, and obtained his Doctor of Paediatrics degree from National University of Malaysia. As a paediatrician and clinical lecturer, Dr Azri's responsibilities include undergraduate and postgraduate student teaching, inpatient and outpatient management of paediatric cases as well as administrative duties. He is currently in his final year of clinical immunology and allergy subspecialty training and hopes to educate future generations of doctors regarding primary immunodeficiency and dysregulation disease thereby improving the care of current and future patients with this condition.
