

CURRICULUM VITAE

Name : Nursamiha Binti Othman
 Position : Juruteknologi Makmal
 Perubatan
 Department : Human Anatomy
 Faculty Of Medicine And Health Sciences
 University Putra Malaysia
 43400 UPM Serdang, Selangor

T : 03-9679 2327
 F : 03-9769 2331
 Email : nursamiha_o@upm.edu.my

Education

University/ College/ School	Qualification	Grade obtained	Year
University Of Technology Mara	Diploma Teknologi Makmal Perubatan	-	2004
University Of Technology Mara	Pra Sains	-	2000
SMA Alhidayah (Maktab Mahmud Pendang)	SPM	-	1998

Employment History

Appoinment	Department/ Unit	Date of service	End of Service
Juruteknologi Makmal Perubatan	Jabatan Biokimia,Fakulti Perubatan UKM KL	01/ Jun/ 2006	10/ September/ 2009
Juruteknologi Makmal Perubatan	Jabatan Anatomi Manusia,Fakulti Perubatan dan Sains Kesihatan UPM	11/ September/ 2009	Terkini

Skills and Experience

Skills/ Experience	Description
Department of Human Anatomy was initially the Anatomy Unit in the Department of Biomedical Sciences. Since year 2005, the Anatomy Unit was established and became the Department of Human Anatomy to cater the preclinical teaching for the Medical Doctor Program (year 1 until year 3). In addition, the department also play a pivotal role in research and clinical science teaching for the Biomedical Science Program, Nursing and Dietitian Program and private university Program.	<ul style="list-style-type: none"> Manage, monitor and maintains research and learning activities at the Anatomy and Dissertation Halls, Anatomy Labs and Anatomy Workshops. Keep a daily record, report and discuss formulas, technical information and diagnoses to specific officers. Provides testing materials and laboratory use standards and performs internal and external quality control. Maintains and determines the functioning of the laboratory equipment and reports any damage and maintenance of apparatus in the laboratory.

	<ul style="list-style-type: none"> • Provides and conducts technical work for research and learning laboratories. • Produces histological slides for teaching and learning use. • Receives, preserves and processing sample cell culture for teaching and research use. • Assist in the process of dissection of the body for teaching purposes. Preparing for classroom preparation by course. • Helps create specimens jar for museums. • Assist in the course of all examinations conducted by lecturers in the department of Human Anatomy and the Academic Unit.
<p>The department of Biochemistry offers a curriculum covering basic aspects and biochemical applications such as carbohydrate metabolism, lipid protein and nucleic acids, enzymology and molecular biochemistry. The department have job opportunities such as lecturers, research officers in the government and private sectors.</p>	<ul style="list-style-type: none"> • Manage, monitor and maintains research and learning activities at the biochemistry routine and cell culture laboratories. • Keep a daily record, report and discuss formulas, technical information and diagnoses to specific officers. • Provides testing materials and laboratory use standards and performs internal and external quality control. • Maintains and determines the functioning of the laboratory equipment and reports any damage and maintenance of apparatus in the laboratory. • Provides and conducts technical work for research and learning laboratories. • Receiving, preserving and processing sample cell culture for teaching and research use.

Courses/ Training Attended	
Type of courses/ Training	Date/ Year
Taklimat Akta Sains Kesihatan Bersekutu Akta 774	13/2/2019
Lawatan Akademik Pembelajaran Dan Pengajaran Kakitangan Muzium Anatomi Jam Ke Universiti Malaysia Sabah	14/3/2019
Bengkel Kesedaran 'Biosecurity Dan Biosafety 2019'	24/7/2019
Bengkel Basic Life Support Fpsk UPM 2019	28/11/2019
Bengkel Penjagaan Dan Penyelenggaraan Mikroskop Cahaya	17/07/2019
Asian National Museums Association (Amna) Ke 7	29/10/2019

Awards Obtained	
Type/ Description of Award	Date Obtained
