

## RETRACTION NOTICE

**Ahid F, Abd Rahman AZ, Ismail A (2021). Evaluating the Effect of RUNX1/ETO Expression on Mutagenesis at the NPM1 Locus Using Flow Cytometry. Mal J Med Health Sci 17(SUPP3):175-182**

The authors hereby retract the article “Evaluating the Effect of RUNX1/ETO Expression on mutagenesis at the *NPM1* Locus Using Flow Cytometry” published in the VOL.17 SUPP 3 - JUNE 2021 (Supplementary Issue: Health and Wellness) of the Malaysian Journal of Medicine and Health Sciences. The work in this manuscript was conducted at Newcastle University, UK; therefore, the use of the data should have been authorized by all research collaborators of Newcastle University. In addition, the name of important collaborators from Newcastle University should have been included as co-authors given their significant contribution in the study. We sincerely apologize for the inconveniences occurred from this matter.
