In the published article, there was an error in the Acknowledgements section. In that section, the funding statement did not meet the requirement of the funding body, i.e. the Ministry of Higher Education Malaysia. The Ministry has specified that the acknowledgment must include the name of the ministry, the full name of the grant, and the grant code.

The revised Acknowledgements should read:

“This project was funded by the Ministry of Higher Education Malaysia under the Long Term Research Grants Scheme (LRGS/1/2016/UTM/01/1/7). The authors appreciate the guidance and help given by the Dean of the Faculty of Medicine and Health Sciences, the Supervisory Committee and the Ethic Committee for Research Involving Human Subject (JKEUPM) of Universiti Putra Malaysia.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
